1. Legal Assistance.

- Colin unable to contact Victoria – Secretary will provide contact details.

2. Meeting with SARVRA Secretary.

Secretary met with Margaret Trussell, SARVA secretary, to see if we could assist each other in improving conditions. SARVRA's big issue is exit fees and we cannot assist them in that area. We have agreed to meet again in a couple of months' time.

**TREASURERS REPORT:** As Tabled, Mike M, Seconded Geoff C (Carried)

Treasurer's Report emailed to you with this Agenda

Treasurer described our financial position as not looking good for the future, \$3500.00 in the working account and \$5000.00 in term deposit. The elephant in the room is the membership fees and the treasurer said that at the rate we are going we will be broke next year even with the 2025/6 membership fees. There was discussion regarding leaving it until the October AGM, but the treasurer said that would be too late and the secretary had already sent out a newsletter quoting \$10.00 pa. Treasurer maintains that if should be raised to \$15 pa. On the suggestion that it can only be raised at the AGM as per constitution, the comment was made that there are other decisions made outside of the constitution

**Correspondence In:**

1 Email from HICP resident laying out the issues she faces

**Correspondence Out**

1. Letter to management BLVH about lack of evacuation plan and management issues
2. Letter to 52 HICP residents regarding the false information provided by RESCOM.

3. Letter to all upper and lower house MPs about issues with HICP and lack of CBS action  
Mike M commented that the last paragraph of the letter to all parliamentarians was, he thought, too emotive and should be amended. Secretary agreed and said he would certainly amend the last paragraph to make it less emotive as he agreed it would not accomplish anything as it was.
